SPECIAL SESSION OF THE COUNCIL

MAYOR BLISS HAS CALLED A MEETING TO APPROVE BONDS OF CITY OFFICIALS.

A special session of the City Council has been called by Mayor Bliss for to-morrow at noon, and notices to this effect will be issued to-morrow and served upon the members of the council asking their attendance at the meeting.

The meeting is called for the purpose of approving the bonds of the various new city officials who have been elected or appointed to office, and with this exception there will be no business transacted, as the meeting has been called for this specific purpose.

During the coming week meetings of the Board of Works and the Board of Safety will be held, and it is also probable that the Board of Health will hold a session. The Board of Works is to settle upon the selection of a street superintendent, the Board of Safety the election of an assistant fire chief as well as police officials and the Board of Health that of sanitary inspectors. Of course all of these officials will be selected upon recommendation of the heads of the various departments.

The bonds to be approved by the council are those of Mayor Bliss, John Cary Whiting as tax collector; Wm. G. Dailey as city treasurer; C. Fred Schad, as city marshal, and B. S. Bernard, as city clerk.
